(D) Policies on Contracting with Firms in Default on Financial Obligations and Their Affiliated Business Entities

It is the policy of the FDIC that an offeror with one or more unsatisfied FDIC/RTC obligations shall be deemed as not meeting the basic standards of fitness and integrity, and therefore ineligible to contract with the FDIC.

It is also the policy of the FDIC that if an offeror has any affiliated business entities with any unsatisfied FDIC/RTC obligations, those unsatisfied FDIC/RTC obligations will be considered in determining whether the offeror meets the FDIC's basic standards of fitness and integrity. At the time that any such unsatisfied FDIC/RTC obligations come to our attention, by whatever means, the FDIC will evaluate such obligations, and to the extent that one or more of a firm's affiliated business entities have failed to pay such obligations, the FDIC may exclude the firm from the FDIC's contracting program. If the matter is resolved to the FDIC's satisfaction, the FDIC may continue to solicit proposals for the provision of property and services from the firm.

(E) Representations and Certifications Form

During the contracting process, the FDIC will determine whether offerors and their affiliated business entities are in litigation with the FDIC, RTC, FSLIC or any successor to FSLIC, or are in default on obligations to the FDIC, RTC, FSLIC or any successor to FSLIC, by requiring each offeror to complete the Representations and Certifications Form (FDIC Form 3700/04). If an offeror's written response to the questions posed on the Representations and Certifications Form indicates that the offeror's firm has an unsatisfied FDIC/RTC obligation, the FDIC will not enter into a contract with that offeror. If the offeror's response indicates that the firm is in litigation with the FDIC, RTC, FSLIC or any successor to FSLIC, or has one or more affiliated business entities with unsatisfied FDIC/RTC obligations, the FDIC generally will not enter into a contract with that firm, except in the most extenuating of circumstances, in which case a waiver to this policy will be granted in the manner described in subsection V. below.

(F) Right to Offset Against Any Contract Payments for the Contractor's Delinquent Obligations

If, subsequent to the award of an FDIC contract, the contractor becomes delinquent on an obligation to the FDIC, or an unknown pre-existing delinquent obligation is discovered, the FDIC contract provision entitled "Right to Offset Against Any Contract Payments for Delinquent Obligations", which is included in the FDIC General Provisions, gives FDIC the right to offset a minimum of fifteen (15) percent of the contract price, and to negotiate with the contractor the additional amount, up to 100 percent of the contract price, which the FDIC will withhold to apply towards satisfaction of the delinquent obligation. The FDIC General Provisions are included in all standard FDIC contracts for the acquisition of property and services. The offset provision can be exercised as an alternative to terminating the contract when such termination is not in the best interest of the FDIC.

(G) Conflicts with Contract Provisions

In the event of a conflict between the terms of the FDIC General Provisions and this policy statement, the terms of the FDIC General Provisions shall govern.

*V. Implementation*

(A) Waiver Procedures

The Senior Contract Ethics Specialist from OCS will determine, on a contract-by-contract basis, whether it would be appropriate to waive the policy against contracting with firms in litigation or the policy against contracting with firms which have affiliated business entities with unsatisfied FDIC/RTC obligations. In making this determination, the Senior Contract Ethics Specialist will consult with the requesting FDIC office or division (as well as other affected offices or divisions), and obtain the concurrence of the FDIC Assistant Executive Secretary (Ethics). Documentation of the decision to grant a waiver will be included in the contract file. In the majority of cases, such determinations will be made only after the firm requiring a waiver has submitted a proposal for evaluation in competition with other firms, and after that firm's proposal has been evaluated as being the most advantageous to the FDIC of all the proposals received. As an exception to this policy, in a limited number of instances, the FDIC may grant a pre-bid review of a particular firm's fitness and integrity to enter into a contract resulting from a specific RFP when the FDIC determines, at its sole discretion, that the participation of that firm is necessary to foster a sufficient amount of competition in the procurement to assure that the resulting contract is at a fair and reasonable price.

(B) Conditions on Awards of Contracts to Firms in Litigation with FDIC/RTC.

Any determination to award a contract to an offeror in litigation will be subject to appropriate conditions, including the requirement that the firm screen the persons and/or office(s) charged with wrongdoing from work on the FDIC contract and agree that it cannot use its retention by the FDIC as a defense in the pending litigation. The FDIC may, at its discretion, seek independent verification of the efficacy of the contractor's screening process.

By Order of the Board of Directors.

Dated at Washington, DC this 4th day of May, 1993

Federal Deposit Insurance Corporation.

Hoyle E. Robinson,

*Executive Secretary.*

## FEDERAL HOUSING FINANCE BOARD

[No. FHFB 93-45]

## Federal Home Loan Bank Members Selected for Community Support Review

**AGENCY:** Federal Housing Finance Board.

**ACTION:** Notice.

**SUMMARY:** The Financial Institutions Reform, Recovery, and Enforcement Act of 1989 added a new section 10(g) to the Federal Home Loan Bank Act of 1932 requiring that members of the Federal Home Loan Bank (FHLBank) System meet standards for community investment or service in order to maintain continued access to long-term FHLBank System advances. In compliance with this statutory change, the Federal Housing Finance Board (Finance Board) promulgated Community Support regulations (12 CFR part 936) that were published in the Federal Register on November 21, 1991 (56 FR 58639). Under the review process established in the regulations, the Finance Board will select a certain number of members for review each quarter, so that all members will be reviewed once every two years. The purpose of this Notice is to announce the names of the members selected for the sixth quarter review under the regulations. The Notice also conveys the dates by which members need to comply with the Community Support regulation review requirements and by which comments from the public must be received.

**DATES:** Due Date for Member Community Support Statements for

Members Selected in Sixth Quarter Review: July 1, 1993.

*Due Date for Public Comments on Members Selected in Sixth Quarter Review:* July 1, 1993.

**ADDRESSES:** Written comments may be submitted to the member's FHLBank. See section B of **SUPPLEMENTARY INFORMATION** for specific addresses.

**FOR FURTHER INFORMATION CONTACT:** Sylvia C. Martinez, Director, Housing Finance Directorate, (202) 408–2825, or Kathleen S. Brueger, Associate Director, Housing Finance Directorate, (202) 408–2821, Federal Housing Finance Board, 1777 F Street, NW., Washington, DC 20006.

**SUPPLEMENTARY INFORMATION:**

**A. Selection for Community Support Review**

The Finance Board intends to review the entire FHLBank System membership once every two years. Approximately one-eighth of the FHLBank members in each district will be selected for review by the Finance Board each calendar quarter. Only members with post-July 1, 1990 CRA Evaluations and members not subject to CRA will be selected for review in the first two years following the effective date of the regulation. In selecting members, the Finance Board will follow the chronological sequence of the members' CRA Evaluations, to the greatest extent practicable, selecting one-eighth of each District's membership for review each calendar quarter.

Selection for review is not, nor should it be construed as, any indication of either the financial condition or Community Support performance of the institutions listed.
